TimberIN
BALTIC SPA & SAUNAS

PLEASE NOTE

The measurements in the drawings and on the TimberIN websites are approximate. They will differ slightly from the measurements of the finished product, because our products are individually designed and hand-made. If one or more measurements are very important to you, please tell us before you order. We will pay close attention to your requirements during production, so that the product is made as closely as possible to them.

NORDIC EXTERNAL COMFORT

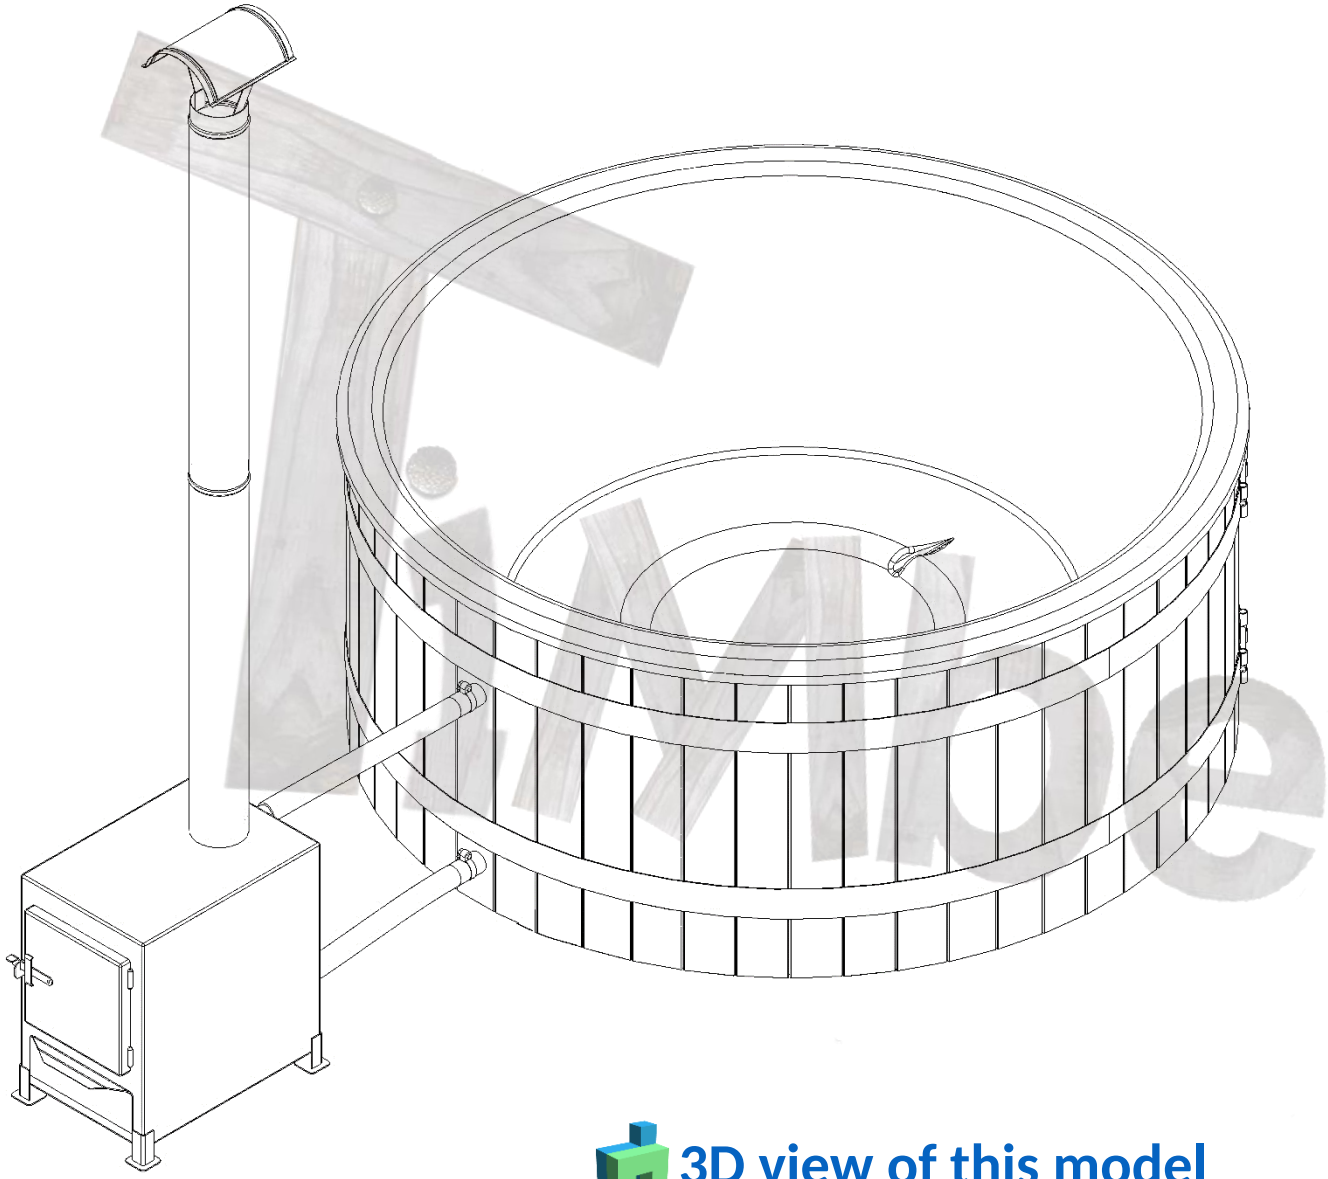

TECHNICAL SHEET

Table of contents

ø1800 MM EXTERNAL COMFORT

ø2000 MM EXTERNAL COMFORT
